Successful end to liquidation sale

Kusnacht-Zurich, 17 April 2003. On 12 April 2003, the Swissair liquidation sale has closed its doors. Even during the third part of the sale, the response from the public was overwhelming. In the last month alone, approx. 40,000 people have visited the sale venues in Bassersdorf and Embrach, and over 150,000 are thought to have attended the sale overall. To quote three examples, 1.5 million coffee spoons, 500 office swivel chairs and 580 computers have been sold. Proceeds from the sale have exceeded expectations, especially regarding furniture. The total sum amounts to approx. CHF 5.5 million and will be added to total assets once costs have been deducted.
