Sale of office fittings, IT equipment and inflight materials: Positive results so far

Küsnacht-Zurich, 21.03.03. The sale of office fittings, IT equipment and inflight materials by the Kurt Hoss firm of liquidators (website: www.hossliquidator.ch) continues to be extraordinarily successful. Several thousand people have visited the sale premises during the first week. Owing to the large volume of goods on sale, most items are still available. However, USM-Haller-branded furniture, as well as radios and television sets, have now sold out, and only a limited number of items of executive furniture remain. The following inflight materials are still on sale: Travel alarm clocks, watches, Hutschenreuther porcelain, sleeping bags, place settings and silver and chrome-plated cutlery. Also still available are desks both with and without storage units, meeting tables, conference tables, printer tables, cupboards in a range of models, shelving, office swivel chairs, conference chairs, lounge furniture and pictures. Among the IT equipment, a large number of monitors and laser printers, some with dual paper trays, are still available in addition to a small number of PCs.

The enormous success of the sale has forced a reorganisation from the end of this week. The sale premises at Grindelstrasse 9 in Bassersdorf will remain open between 9 am and 5 pm on weekdays, as before. Goods will be sold between 9 am and 5 pm from the Embraport duty-free warehouse in 8423 Embrach for the last time on Saturday, 22 March 2003. The premises in Embrach will then be closed and Saturday sales held in Bassersdorf. An enquiries hotline is still operating under the following numbers: 01 914 27 75 (German), 01 914 27 76 (French) and 01 914 27 77 (English). Lines are open from Monday to Friday between 9.00 am and 12 noon, and between 2.00 pm and 5.00 pm.
