

Notice from the liquidator of the Swissair Group to creditors and the media

Publication of provisional distribution list for initial interim payment to SAirGroup creditors — payouts to be made from mid-November 2007

Küsnacht-Zurich, 23 October 2007. Preparations for the announced initial interim payment have now been completed. Creditors with recognized privileged first or second-class claims will receive an initial interim payment at a rate of 100%. The liquid funds currently available in the SAirGroup liquidation estate will then permit an initial interim payment of 5.3% to be made to creditors with recognized third-class claims.

Initial interim payments total approximately CHF 535 million. More than 11,500 SAirGroup creditors will benefit from a payout.

The provisional distribution list for the initial interim payment is available for inspection by creditors between 24 October and 5 November 2007 at the offices of the Liquidator. Payments will then be made from mid-November 2007 onwards.
